# APBA Committee

## Executive Committee

Founder President

**Rajeev Ahuja**

Immediate Past President

**Chong Si Jack**

Past President

**Nyoman P Riasa**

Honorary Treasurers

**Aditya Wardhana**

President

**Hajime Matsumura**

Past President

**Niazz Dai**

Honorary Secretary

**Vinita Puri**

Honorary Web Master

**Rei Ogawa**

## Advisors Committee

**Naoki Aikawa**

**Zhao-Fan Xia**

**Dong Chul Kim**

**Jui-Yung Yang**

# APBC 2021 Organizing Committee

## Advisory Committee

**Nobuyuki Shioya**

Professor Emeritus, Kitazato University

**Akitsugu Kohama**

Professor Emeritus, Kawasaki Medical University

**Takahiko Moriguchi**

Professor Emeritus, Kawasaki Medical School

**Yutaka Ogawa**

Professor Emeritus, Kansai Medical University

**Shuji Shimazaki**

Professor Emeritus, Kyorin University

## Honorary Chairman

**Naoki Aikawa**

Professor Emeritus, Keio University

**Motohiro Nozaki**

Professor Emeritus, Tokyo Women's Medical University

## Honorary Vice President

**Shigehiko Kawakami**

Professor Emeritus, Kanazawa Medical University

**Tetsuo Yukioka**

Professor Emeritus, Tokyo Medical University

## Organizing Committee

President

**Hajime Matsumura**

Dept. of Plastic and Reconstructive Surgery Tokyo Medical University

Vice President Workshop & Sponsored session Committee

**Junichi Sasaki**

**Hiromi Miyazaki**

Division of Traumatology, Research Institute,  
National Defense Medical College

Technical support committee

**Kuriko Kudo**

Kyushu University Hospital, International Medical Department,  
Telemedicine Development Center of Asia

# Meeting Overview

## APBC 2021

Live Sessions : October 21 - October 24, 2021

On Demand : October 21 - November 7, 2021

Virtual Meeting, Sessions Available Online

Here are some highlights of what we have planned:

### "Live" sessions

Plenary sessions, symposia, panel discussions, and various seminars will be all live.

### On Demand Contents

All participants will be freely available for viewing the videos of the presentations on demand. Question-and-Answer will be also held.

### Virtual Exhibit Hall

An interactive exhibit hall will offer attendees opportunities to learn about the latest advances in burn care as well as view new products to improve patient care.

The congress will be held under the theme “THE NEXT DYNAMIC CHANGE IN BURN CARE – Coping with Infection, Infection prevention and control–”. What is the next key to changing the outcome of burn treatment dynamically? Great progress has been made in intensive care, respiratory management, and nutrition management. Advanced wound care techniques and materials have been introduced in topical therapy and surgery. However, the challenge that stands in the way of the latest treatment is “infection”. Burn wound infection makes wound closure difficult and systemic infection causes organ failure. If we can prevent and control infection, we can make the next dynamic change in burn treatment.

In addition to fighting these bacterial infections, we are also fighting a new virus. COVID-19 pandemic, which has drastically changed our treatment environment. In APBC 2021, we expect to share more knowledge about this situation.

We look forward to seeing you in virtual APBC 2021.

# Keynotes Speakers

The following is a list of APBC2021's invited speakers.

## **Special lecture**

Future Management of Burn Sepsis (TENTATIVE)

Speaker : Dr. Naiem Moiemem

## **Invited lecture 1**

COVID-19 and Burns (TENTATIVE)

Speaker : Dr. Mark Fisher

## **Invited lecture 2**

Current Diagnosis and Treatment of Inhalation injury (TENTATIVE)

Speaker : Dr. Folke Sjoberg

## **Invited lecture 3**

It Is Time for a Surviving. Sepsis After Burns Campaign (TENTATIVE)

Speaker : Dr. David G Greenhalgh

## **Plenary Speech**

The Perspective of Next 10 Years of APBA (TENTATIVE)

Speaker : Dr. Rajeev Ahuja

## **Presidential Speech**

The Importance of Prevention and Treatment of Infections in Burn Care (TENTATIVE)

Speaker : Dr. Hajime Matsumura

# Call for Abstracts

APBC 2021 invites submissions for the following programs.  
We sincerely look forward to your active participation.

[Click here to Submit your abstract!](#)

**ABSTRACT SUBMISSION WILL OPEN from January 6th!**

## Plenary Speech

- The perspective of next 10 Years of APBA

## Symposium (Partly designated speaker)

- Burn care during the COVID-19 pandemic
- Management of burn wound infection
- Infection control in Burn ICU/Burn Unit
- Burn Treatment Guideline
- Scar Management and Surgery, Post-Burn Scar Contracture and Keloids
- Laser/Aesthetic treatment in Burn care

## Free Paper

Best Paper Awards are presented to authors whose work represents groundbreaking research judged by an awards committee among the accepted abstracts.

### Category

Basic Research, Burn Care Facility, Clinical and Intensive-Care, Disaster-Management, Electrical and Chemical Burns, Epidemiology, Ethics, Infection Control, Inhalation Injury, Management of Burns in Developing Countries, Nursing, Nutrition and Metabolism, Outcome Measures, Pain Management, Pediatric Burn, Pre-Hospital Burn Care, Prevention, Psychological Reaction, Quality of Life, Reconstruction and Scar Management, Registries, Rehabilitation, Skin Banking, Surgical Techniques, Systemic Infection, Tissue Engineering, skin substitute and Cell therapy, Wound Management, Others

## Call for Abstract

Call for abstracts is now closed. We greatly appreciate your applications. Should you have any further requests, please do not hesitate to send an email to ( [apbc2021@tokyo-med.ac.jp](mailto:apbc2021@tokyo-med.ac.jp) ) .

For details, please see the following URL: <https://apbc-jsbi-2021.org/>

# Call for Short Videos!

## Posting your Short Videos!

- Introduce your burn care facility and staffs
- The devises using in your burn care/surgery
- Your ingenuity in burn surgery and burn care

A short video will be broadcasted in the time between the sessions.

Please note that this does not count as a paper (academic achievement) at the APBC2021.

The details of “short video” will be announced on the website in late July 2021.
